### Superior nutrition

Jenco Premium Coarse Grain Mix consists of an optimum blend of nutritious cereal grains that are sourced from quality suppliers, and then carefully cleaned and packaged ready to feed to your chickens. The feed is naturally sweetened with molasses and vegetable oils, which gives it a beautiful fresh sheen and great palatable taste.

Jenco Coarse Grain Mix should be used as a base feed for chickens that are free to forage for additional sources of nutrition. If your chickens are unable to forage, you may need to supplement Jenco Coarse Grain Mix with another of Jenco's layered poultry feeds.
