All natural

All our products are 100% natural vegetarian feeds that are free from artificial colours and flavourings.

Quality guarantee

In making this product we source only the very best grains and use strict quality control procedures to remove all impurities. This ensures a superior quality nutritious feed every time.

Feeding guide

Make sure clean water is always available.

Storage

Store in a cool, dry place, preferably in a sealable vermin proof container.

Our promise

Within every bag is the same superior quality balanced formulation. We never cut corners and all feeds are covered by our 100% Satisfaction Money Back Guarantee.

Maize A

Of all the grains, maize is the best source of energy for a wide range of animals. Jenco Premium Maize is sourced locally in the southern Darling Downs, a key growing region for this vital cereal grain in Australia.

Cracked Maize B

Jenco Premium Cr. Maize is the top selling Cr. maize in Queensland, preferred by horse trainers and other farmers for its superior quality. We dress the grains twice to remove all impurities, waste and meal – leaving a premium product that is both consistent in quality and highly nutritious.

Wheat

C

The perfect all-round feed for all animals, wheat is Australia's most important cereal grain. We select only the best wheat from local growers in the southern Darling Downs, adhering to stringent parameters when selecting and processing the grain.

Nutritional analysis

Fibre	min:	8.00%
Carbohydrate	min:	65.0%

Barley

D

This versatile cereal grain is high in fibre and low in energy, with a rich, nutty flavour – which makes it the perfect feed for foraging animals. Jenco Premium Barley is sourced locally in the southern Darling Downs.

Fibre	min:	12.0%
Carbohydrate	min:	65.0%

Sorghum

E

Sorghum is a key ingredient in many stockfeeds. Jenco Premium Sorghum is hand-picked from certain Sorghum varieties to ensure its premium quality – we select grains with a rich red colour, ideal for birdseeds.

Racehorse Oats

F

Jenco is renowned for supplying premium quality oats to racehorse breeders and trainers. We adhere to strict selection criteria, only accepting a minimum of 43lb/bushel in testing weight; and then apply stringent processing standards to produce a premium product.
